Date of birth: July 25, 1992

Interests: Travelling, beach volley, gym, photography, gaming

WORK EXPERIENCE

Senior UI/UX Designer

KEYES GREECE part of NRB, Athens | Aug 2024–now

Focused on delivering effective user experiences for European clients and projects. Drove the UX design process, collaborating closely with cross-functional teams to create intuitive, user-centered digital solutions.

UI/UX Designer

EUROPEAN DYNAMICS, Athens | Dec 2018– Jul 2024

Designed innovative, user-centered interfaces for multiple European projects, ensuring alignment with product goals and user needs. Collaborated closely with business analysts, developers, and project managers to deliver functional, visually cohesive designs and support smooth implementation.

Product Designer

Profile Software, Athens | Oct 2017–Nov 2018

Responsible for UI design and redesign of web platforms for banking and finance products, including risk management, treasury, and digital banking solutions. Collaborated with developers, analysts, and product managers across all project phases to deliver user-centered, high-quality interfaces and design documentation.

Web Designer (Internship)

ITWorx, Larisa | Apr 2016–Sept 2016

Contributed to the design of websites and web applications for diverse clients, focusing on usability and visual appeal. Collaborated with designers and developers to deliver engaging, high-quality digital experiences.

PROJECTS

UK GOV

2024-2025 | KEYES GREECE

Designed user workflows, wireframes, and interactive prototypes in Figma to support intuitive, user-centered interfaces according to [Gov.UK Design System](#)

EUROPEAN PROJECTS
